The following information provides direction for schools in accordance with health guidelines as we resume school sponsored athletics and activities. As guidelines are adjusted by the health department and government officials, we will send out updated information. For the safety of spectators, athletes, coaches, their families, and the community at large, these guidelines must be followed.

1) Ticketed Events

- School officials will determine the capacity of their home venue seating and may sell **25%** of the capacity to spectators. Athletes/Cheer/Band/School Supervision do not factor into the 25% unless they are in the bleachers. (2 tickets per athlete is recommended for parents.)
- School officials will also determine the capacity of their venue's visitor seating and will work with the visiting school to sell **25%** of tickets for visiting spectators.
- All ticket purchases must be done in **advance via electronic** (VNN/Go Fan/Hometown Ticketing/Etc.) touchless system or out of the main office. Same day ticketing will NOT be sold at the game/event.
- A **spectator agreement form** is required for spectators who must agree to before an individual can purchase tickets.

2) Non-Ticketed Events

Gymnasium, Stadium, and Auditorium use will follow the same capacity guidelines as ticketed events. The school may limit capacity by issuing electronic $0 cost tickets or have a plan to limit capacity. All other Non-ticketed Events including Sophomore and JV games, spectators are required to wear masks when entering and exiting the event and may only remove the mask when social distancing is feasible.

Schools will have parents sign the Spectator Agreement Form. (This would preferably be accomplished at the required parent meeting before the season). Administration and school officials will enforce wearing masks and social distancing for students at school events and ask that the public will adhere to these guidelines.

3) Spectator Agreement Form

Spectator Agreement Forms will be signed by students and parents before attending extracurricular events. It is expected that fans of visiting schools will have signed an agreement form at their home school for events both home and away.
