DATE: Thursday, February 3, 2022

TO: All School Administrators

FROM: Carolyn Gough, Administrator of Teaching & Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: 2021-22 Stakeholder Input Survey Results

51,139 students, parents and educators participated in the 2021-22 Stakeholder Input Survey, which was administered in November 2021.

The Stakeholder Input Survey results have been released via Tableau accounts for school principals. Principals may request that their assistant principals have access to the results in Tableau by contacting Ben Jameson in Evaluation, Research & Accountability. PDF reports containing individual educator effectiveness ratings will also be distributed to principals in the coming days. Those reports will subsequently need to be distributed to educators. More information about these pdf reports will be forthcoming.

Principals may access school and district survey results by clicking [here](#) or through their Tableau accounts: Explore > Surveys > Stakeholder Input Survey > 2021-22 Stakeholder Input Survey

In addition to district results, each school will have the following dashboards that contain their school's survey results:

- [School Name] Faculty Stakeholder Input Survey
- [School Name] Parent Stakeholder Input Survey
- [School Name] K-3 Student Stakeholder Input Survey and [School Name] 4-6 Student Stakeholder Survey for elementary schools
- [School Name] 7-12 Student Stakeholder Input Survey for secondary schools
- [School Name] Stakeholder Input Survey Overall Educator Effectiveness Scores

Please contact Ben Jameson in Evaluation, Research & Accountability with questions.
