

Intradistrict Communication

DATE: November 27, 2023

TO: Principals
Assistant Principals
Other Administrators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
Matt Alvernaz, School Safety Coordinator

SUBJECT: Standard Response Protocol (SRP) Training - **REQUIRED**

All schools are required to implement the Standard Response Protocol (SRP) tools in conjunction with the Incident Command System (ICS). To facilitate implementation and ensure that all administrators are trained in SRP four (4) trainings sessions have been scheduled. This is an opportunity to get in-person knowledge and clarity on SRP and how it may improve safety for students, staff, and patrons.

Administrators are required to attend one (1) of the training sessions listed below. If you attended one of the SRP training sessions held on Nov. 15th or 17th your attendance is NOT required.

Please sign up for one (1) of the following SRP training sessions by clicking on the link associated with the session. Each session will contain the same information.
