

# Intradistrict Communication

DATE: Thursday, March 19, 2020

TO: All Principals

FROM: Shelley Nordick, Ph.D., Administrator of Teaching and Learning  
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: State Data Gateway Operational

---

The state's Data Gateway is now fully operational. School administrators may find the following data for the 2018-19 RISE and Utah Aspire Plus testing and school accountability:

- Proficiency and growth
- Proficiency over time
- Proficiency movement
- Demographically similar school report
- Student level data that will include overall proficiency and growth, proficiency by reporting category and a comparison to teacher, school, district and state data.

Teachers may also access all of the above information as well as their previous students from last year or their current students' data on the Data Gateway. They just need to register for an account using their Cactus ID number, if they haven't already done so.

To access the Data Gateway, please use this link: <https://datagateway.schools.utah.gov/>

If you are having trouble logging into the Data Gateway, please contact Ben Jameson.
