TO: High School Principals
Middle School Principals
High School Athletic Directors

FROM: Brad Sorensen, Administrator of High Schools
Cody Curtis, Administrator of Middle Schools
Bryan Veazie, District Athletic Director

SUBJECT: Student Athletic Interest Survey

Beginning with the 2025-2026 school year, Jordan School District will be conducting a Student Athletic Interest Survey every three years for all students in grades 8, 9, 10, and 11. A Qualtrics survey has been created and will be sent to each student's school email account to be completed. The emails will be sent from the district office but we wanted to make the schools aware in case students ask you questions regarding the survey during the open window.

We plan to send the email links out on Wednesday, October 29, 2025. The survey will remain open for two weeks and close at the end of the day on Wednesday, November 12, 2025. We also plan to send an email reminder to the students at the beginning of the second week.

The purpose of this survey is to gauge our students' athletic interests and promote opportunities available to them in Jordan School District. Their answers are confidential and will help us determine if we are meeting their athletic interests. Below is a link that will be sent specifically to students based on their gender identified in skyward:

- Boys - https://jordandistrict.sjc1.qualtrics.com/jfe/form/SV_2orFMf3pCAacs3I
- Girls - https://jordandistrict.sjc1.qualtrics.com/jfe/form/SV_6VHtAo9MslS2nLo

Please feel free to reach out to any of us with questions regarding the upcoming survey.
