

STUDENT TRANSPORTATION DISCLOSURE AND ACKNOWLEDGEMENT

While the Jordan School District (“JSD”) normally provides transportation in district vehicles/buses to approved activities away from the home school site, there are occasions when it is impossible for the district to provide such transportation. When these situations arise, it is the responsibility of participating student’s parent/legal guardian to coordinate transportation to and from the approved activity (competition, practice, or program).

By signing below:

1. I understand that the JSD will not provide transportation (by bus or otherwise) between the school of attendance and the site of the activities (competition, practice, or program) as listed below.
2. I accept responsibility for arranging and providing for the transportation of my student to and from these activities when it is not provided.
3. I understand that the JSD is unable to supervise private means of transportation between sites.
4. I acknowledge that the JSD does not provide any type of insurance including liability, collision, comprehensive or medical coverage during the transportation of the named student (below) in connection with the described activity (competition, practice, or program).
5. I acknowledge that the parent/guardian and student will assume all liability while enroute to and from these activities when travel is in non-district vehicles.
6. I acknowledge that my student has adequate medical insurance to cover his/her injuries in the event of an accident and that the insurance on the vehicle is sufficient to cover expenses.
7. I acknowledge that my student is being allowed to participate in this activity with the understanding that we accept the risks involved.

IT IS FULLY UNDERSTOOD AND AGREED THAT THE JSD IS IN NO WAY RESPONSIBLE NOR DOES THE DISTRICT ASSUME LIABILITY FOR ANY INJURIES OR LOSSES RESULTING FROM THIS ALTERNATIVE TRANSPORTATION ARRANGEMENT.

By my signature below, I agree to waive all claims against the JSD and to indemnify and hold the district, its officers, agents and employees harmless from any and all liability or claims, demands, losses, causes of action, suits or judgments of any kind including death, bodily injury or illness that may occur during any portion of the transportation phase.
