SUBJECT: Suicide Prevention & PBIS Funds Update

Administrators,

For the 2024-25 school year, funding for each school's positive behavior plan has been renewed through the State's E-cigarette and Nicotine Prevention Fund. As a reminder these funds can be used for the following purposes:

- **\$1,000** of supply funds for your positive behavior plan
- **\$3,000** for stipends for licensed staff who implement your positive behavior plan
- [Fill out this form to spend the available funds](#)

In addition to this, the State's suicide prevention fund that has been previously allocated (\$1000 per school) has NOT been renewed. These funds are not available for the 24-25 school year. Additional funds may become available through pending grants at which point schools will be notified.
