DATE: Thursday, August 25, 2022

TO: All School Administrators

FROM: Carolyn Gough, Administrator of Teaching and Learning

SUBJECT: Tableau Login Moving to Google SSO

Due to a change on Tableau's security policies, we will be transitioning all Tableau logins to Google single sign on (SSO). Beginning Thursday, September 1, when Tableau users try to sign into their accounts, they will be redirected to a Google login page. Tableau users will use the same login credentials as their district email for Tableau. Here are the new login procedures effective September 1st:

1. Navigate to the Tableau login page: <https://sso.online.tableau.com/public/idp/SSO>
2. Enter your district email address.
3. You will be redirected to a Google login page. Enter your district email and password.

Please direct any questions about Tableau to Ben Jameson in Evaluation, Research & Accountability.
