DATE: Thursday, February 25, 2021

TO: Elementary School Principals  
Middle School Principals

FROM: Shelley Nordick, Ph.D., Administrator of Teaching and Learning  
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Teacher Training for RISE Summative Testing

---

With end-of-year testing season starting in a month (or two), it's a good time to plan for teacher training. Please work with testing coordinators and administrators to schedule or facilitate faculty training at school. The format of the training is flexible and can be done as an all-in-one meeting, or you can ask teachers to complete the RISE Canvas course, or a combination thereof. All administrators, elementary coaches and RISE-testing teachers will be added to the RISE Canvas course, so each teacher has access to the same resources:
