SUBJECT: Teacher Training for Utah Aspire Plus Testing

With end-of-year testing season starting in a month (or two), it's a good time to plan for teacher training. Please work with testing coordinators and administrators to schedule or facilitate faculty training at school. The format of the training is flexible and can be done as an all-in-one meeting, or you can ask teachers to complete the UT Aspire Plus Canvas course, or a combination thereof. All administrators, elementary coaches and grade 9 & 10 core teachers will be added to the Utah Aspire Plus Canvas course, so each teacher has access to the same resources:
