## **US Civics Test (Grades 11 and 12 as needed)**

Testing Window: 8/28/2023 to 3/15/2024

The Civics Test will be given online this year via UTIPS: <https://jordan.utips.org/>. The online test will be scored automatically. Information Systems will upload passed tests to Skyward monthly, eliminating the need for teachers to enter data. Office staff will still be able to enter or modify the data directly in the Educational Milestones module. Once data has been loaded into the Educational Milestones module it is viewable in Skyward Family Access and shows on transcripts. Materials for administering the online test can be found here:

<https://assessments.jordandistrict.org/assessments/citizenship-test/>

If you have questions, please contact **Brooke Anderson at 801-567-8393** or [brooke.anderson@jordandistrict.org](mailto:brooke.anderson@jordandistrict.org).

## **Utah Aspire Plus (10 only)**

Testing Window: 3/4/2024-3/10/2024

We encourage schools to begin UA+ testing early enough in the window to leave time for absent testing. There will be 4 component tests: English, Reading, Mathematics, and Science. Schools can choose to administer these tests ACT-style (all in one sitting with short breaks), or RISE-style (every teacher signs up for a day in the window). These tests are timed and once a test component has been started, it must be completed and submitted in one testing session.

If you have questions, please **contact Brooke Anderson at 801-567-8393 or [brooke.anderson@jordandistrict.org](mailto:brooke.anderson@jordandistrict.org)**.
