

Cultivating *SEEd* in Diverse Environments UTSTA 2020-21 YEARLONG VIRTUAL CONFERENCE

The virtual Utah Science Teacher Association (UtSTA) conference starts in October. This is a great opportunity for teachers to become familiar with and expand their understanding of the new SEEd standards. Funding will need to be provided through individual school however a grant opportunity is available. You can easily [apply for a grant](#) to attend this conference. Teachers register at utsta.org

Below are instructions on how to register when principals are paying for multiple teachers.

1. Each teacher will go to utsta.org and click on the button to register for the conference.
2. If teachers are already a member they can proceed with registration.
 - When it asks for payment DO NOT PAY but print the invoice that will be sent.
 - Give the invoice to their administration.
 - Once all of the invoices are turned in, the admin will go to utsta.org and scroll to the
 - bottom of the home page.
 - In the donation section they will pay for the 'group' in one payment.
 - The admin MUST list the teachers names and Invoice number in the Comments Section.

If teachers are not a member they will need to pay for a membership, (or pay the nonmember price)

- Once membership is purchased go back to utsta.org and register for the conference.
- When it asks for payment DO NOT PAY but print the invoice that will be sent
- Give the invoice to their administration.
- Once all of the invoices are turned in the administrator will need to go to utsta.org and scroll to the bottom of the home page.
- In the donation section they will pay for the 'group' in one payment.
- The administrator MUST list the teachers names and Invoice number in the Comments Section.

Each teacher will need to apply for the grant individually [here](#).

Please reach out to Jane Harward or Dawn Monson at UtSTA (dmonson@utsta.org) with specific questions.
