SUBJECT: Utah Aspire Plus Individual Student Reports Uploaded to Skyward

Utah Aspire Plus Individual Student Reports (ISRs) have been uploaded into Skyward Family Access student portfolios by the Information Systems Department. These ISRs include all of the subscores for English, Reading, Math, and Science as well as predicted ACT scores. Each ISR has a code and instructions for parents to access the parent portal for more information.

Included with this memo are step-by-step instructions for parents on how to access these ISRs. Principals are encouraged to disseminate this information to parents via Skylert or by any other means deemed appropriate. Principals may also consider keeping copies of the step-by-step instructions in the main office to distribute to parents as needed.

Please contact Brooke Anderson in Evaluation, Research & Accountability with any questions about the Utah Aspire Plus ISRs.

You can find additional information about reporting and scores in the score interpretation guides – go to “score interpretation guides” <http://utah.pearsonaccessnext.com/additional-services/> and in the TAM starting on page 116: http://utah.pearsonaccessnext.com/resources/training/UT1130483_SummSp21TAN_Web_Tag.pdf.
