SUBJECT: USBE Educator Engagement Survey Results

The window for USBE's Educator Engagement Survey closed on March 31st. Survey results are now available in [Tableau](#). 1,255 JSD educators responded to the survey this year, which is a 38% response rate (considered a good response rate with an excellent response rate being over 40%).

Educators responded to a variety of multiple-choice and open response questions. Dashboard viewers may view results at the district and school level for the following categories:

- Survey participation
- Mentoring
- Preparation and expectations
- School leadership
- Teacher collaboration
- Professional learning resources
- Career growth and advancement
- Job satisfaction

Open responses may be viewed according to school-based permissions.
