SUBJECT: USBE Teacher Engagement Survey

The Utah State Board of Education is requesting that we disseminate the following teacher engagement survey to all classroom teachers. This is **NOT** the same as the district's stakeholder school climate survey scheduled to be released on February 10, 2020. Principals should send the attached letter entitled JSD Educator Engagement Email Template for Survey Distribution to all classroom teachers in their school. This document invites teachers to participate in an 8-minute anonymous teacher engagement survey that they can access using the link in the document.

The survey window is already open and will close on December 31, 2019. Please refer any questions about the survey administration to Ben Jameson, Director of Evaluation, Research & Accountability.
