DATE: Thursday, February 6, 2025

TO: Middle and High School Administrators

FROM: Carolyn Gough, Administrator of Teaching and Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Utah Aspire Plus Summative Training

The Utah Aspire Plus summative testing window is from **March 3-May 9, 2025**.

As testing is nearly underway, please make sure you complete the yearly Utah Aspire Plus test administration training. Only teachers who will administer the Utah Aspire Plus test need to be trained. For your reference, here is a link to the [Testing Ethics Policy](#).

School administrators are responsible for making sure relevant teachers get trained in the Utah Aspire Plus test administration. Should school administrators choose to hold a training at their schools, this fulfills the training requirement. There are two other training options available:

Utah Aspire Plus Canvas Course

The Utah Aspire Plus test administration training requirement can be fulfilled by completing the [Canvas course](#) online. All teachers in grades 9-10 have been added to the course.

Zoom Utah Aspire Plus Training

Teachers can attend one of the virtual Utah Aspire Plus trainings through Zoom to fulfill the training requirement.

Here is the Zoom link for these trainings:
