

JORDAN SCHOOL DISTRICT
Anthony Godfrey, Ed.D., Superintendent of Schools
West Jordan, Utah

Intradistrict Communication

DATE: October 5th, 2026

TO: Principals and Assistant Principals

FROM: Michael Anderson, Associate Superintendent
Buddy Alger, Director of Student Services
Matt Alvernaz, School Safety Coordinator

SUBJECT: Wearable Emergency Alert Devices

2026 Utah H.B. 84 requires silent wearable alert devices in schools. The district has elected to work with Centegix for the new wearable emergency alert devices. We want to make you are aware that as part of the grant process, individual school administrators were listed as points of contact per the form requirements. However, this grant and rollout will be handled at the district level through Student Services, Facilities, and Information Systems. More information regarding the rollout, training, and implementation of the devices will be coming in the future. No action on the part of the schools is required at this time.

If you are contacted by Centegix or USBE directly, please refer them to Matt Alvernaz, School Safety Coordinator, or Buddy Alger, Director of Student Services.

For questions or concerns, contact the School Safety Coordinator, Matt Alvernaz, at matt.alvernaz@jordandistrict.org or by phone at (801) 567-8623.
