

Intradistrict Communication

DATE: April 6, 2023

TO: All Administrators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
McKinley Withers, Health and Wellness

SUBJECT: You and your staff are invited to a Wellness Accelerator Event!

You and your staff are invited to a Wellness Accelerator Event at JATC South Auditorium on April 14th, from 1:30-3:30.

The 2023 Wellness Accelerator is an opportunity to learn from passionate educators like you. There will be a variety of topics covered through brief, prepared table-top discussions from educators around Jordan District on strategies for student and staff wellness. Participants should plan on walking away with practical ways to enhance wellness for yourself and others!

Who should attend? You! Jordan School District administrators, school leaders, and staff committed to SEL/wellness initiatives (substitutes can be provided upon request) are invited to attend.

Review the attached flyer and share with those that would benefit from attending.

Please contact McKinley Withers (mckinley.withers@jordandistrict.org) for additional information and questions.
