

WELLNESS REP Training 2023

This event will provide practical strategies for enhancing employee wellness. Though it is tailored to each school or department's designated employee wellness representative, administrators are invited to attend *with* their representative.

EMPLOYEE WELLNESS WORKSHOP

Spend time with other reps like you, learning what's worked and what hasn't. This workshop will allow attendees to choose which of several topics will best support their school or department. Attendees will also receive structured support and time to create an employee wellness plan for the school year.
