

Take note: The Jordan School District Classified Evaluation System has been moved from JPLS to Skyward. The following work sessions have been scheduled to help in this transition.

Classified Evaluation Work Sessions

All authorized evaluators are invited to attend any of the following work sessions. Each session is scheduled for 1.5 hours. The first 30 minutes will include a demonstration and instructions for completing a classified evaluation on Skyward. The remaining time will be left for you to work on assigned evaluations.
