

Addressing **DISCRIMINATORY LANGUAGE**

Resources for Administrators

Please join us for one 45-minute Zoom training to learn about how to facilitate conversations with students who have used discriminatory language.

Participants will receive access to Nearpod and other resources to use with students to educate them on the impact of discriminatory language.

This is a repeat session of the Zoom sessions held on November 6 and November 7.

December 3rd 2:00 to 2:45
